And now that it's this time I'll do it the perfect way (the perfect way) yea

You got no flaws, baby, you a masterpiece (yeah)  
Oh, Lord, don't know what you did to me, nah

I know this year ain't been easy, baby (no it ain't)  
But this is the season, baby (ah)

I'm tryna see you, lady  
Meet me by the fireplace (fireplace)  
Kiss me just like Christmas Day (yeah)  
Every time that I see your face (I see, oh-oh, I see)

Every holiday  
You're the only gift I need  
You're my Christmas ([?])  
'Cause I found me (at home)  
For the holidays
