

Insanity

Glenn Travis

Play it and I play it and I play it
Cool, ooh, yeah

Too ready to be losing my mind
Pretty girls always tell the best lies
Don't just look at the body but look in her eyes, yeah
You know what they say [?]
Ooh, I really tried to play nice when I could
Now I'm in hell, I'm not making [?] tonight, oh my God

Oh, what you want now sugar [?]

Ooh, you piss me off even in the early morning
Oh my God
I'm sorry for what I said
I didn't think the fire would get this bad
Now you're saying that you're leaving me
Oh baby that's insanity, oh-oh
My little spicy girl
You're pushing all my buttons, you're making me work
Are you saying that you're leaving me
Yeah baby that's insanity, oh-oh

Ooh, you wilding girl, what's wrong with you
You so violent but I can't get enough
Ain't got no [?] but she got a hell lotta attitude, yeah
From heaven, I clock a devil
She got time [?]
Running through my mind, I won't get no sleep tonight
Tonight I'm so confused

What you want now sugar [?]

Ooh, you piss me off even in the early morning
Oh my God
I'm sorry for what I said
I didn't think the fire would get this bad
Now you're saying that you're leaving me
Oh baby that's insanity, oh-oh
My little spicy girl
You're pushing all my buttons, you're making me work
Are you saying that you're leaving me
Yeah baby that's insanity, oh-oh

Insanity, oh-oh
It don't even matter
Insanity, oh-oh

I'm sorry for what I said
I didn't think the fire would get this bad
Now you're saying that you're leaving me
Oh baby that's insanity, oh-oh
