

Luv Me

Glenn Travis

Love me
Love me
Love me
Love me

I don't know how to feel
Is this real? Am I dreaming?
Tell me if this is real
'Cause I can't tell
I believe in that
It don't have to go like this
Let's see what the future gives
How you make me feel like this?
Why you make me feel like this?

Love me
Love me
Love me
Love me

Even in the morning
I can feel it coming
Even in the morning
I can feel it coming, yeah
I just keep on wondering
Hoping that you love me, love me
I just keep on wondering
Hoping that you love me, love me

Love me
Love me
Love me
Love me

Love me
Love me
Love me
Love me

Even in the morning
I can feel it coming
Even in the morning
I can feel it coming, yeah
I just keep on wondering
Hoping that you love me, love me
I just keep on wondering
Hoping that you love me, love me

Love me
Love me
Love me
Love me

Love me
Love me
Love me
Love me
