

## Again, Again

Glitterer

Looking for a sign again  
Looking for the time again  
I don't know  
I don't know

When will things be fine again?  
When will things be mine again?  
I don't know  
I don't know

Try to write it down again  
Try to make a sound again  
It won't go  
It won't go
