

# Hello

Glitterer

If we're not dust  
I hope it's nice and fair  
If we go on  
I hope I'll see you there

I'll say hello  
I'll say hello  
I'll say hello  
I'll say hello

If there's a place  
I hope it's nice and warm  
I'm sorry if  
I keep you waiting long

I'll say hello  
I'll say hello  
I'll say hello  
I'll say hello

Hello
