

Indeed

Glitterer

Suddenly it's all
Out of reach
And what's the common thread
Is it me?

Pushed away without
Knowing
What's to say but
I'm sorry?

Didn't know what I did
Didn't know what I did
I'm lying
I did indeed

Didn't know what I did
Didn't know what I did
Who's to blame?
I think it's me

Push them away
I'm fine this way
