

# Bring It Back

Global Deejays

Bring it back  
Back to the way that it used to be.  
Bring it back  
'Cause I know, I know, I know.

Bring it back  
Back to the way that it used to be.  
Bring it back  
'Cause I know, I know, I know

Bring it back

I sit alone I'm just waiting for my baby.  
But I keep waiting and it's gonna take some time.  
I know, that you're gonna be my baby.  
Can't you see how I feel?

Bring it back  
Back to the way that it used to be.

I'm comtemplating that you're gonna be my baby  
But I keep waiting and it's gonna take some time  
I know, that you're gonna be my baby  
Can't you see how I feel?

Bring it back  
Back to the way that it used to be  
Bring it back  
'Cause I know, I know, I know

Bring it back  
Bring it back  
Bring it back  
Back to the way that it used to be

Bring it back

Bring it back

Go, so, bring it back.
