Call them in the name of love

You and me
Hand in hand
On the trip to wonderland
See the world
Find a love
In the name of love

Day by day
Nigth by nigth
We're together
Side by side
'Cause I can't get enough
In the name of love

You and me
Hand in hand
On the trip to wonderland
See the world
Find a love
In the name of love

When you're close to me
By my side
I felt inlove i can't hide
Makes me feel so good when you
I know that you're love it was true
You give me the power to breathe
All the things that i need
Make it true the day
Baby be i want it all the way

I wanna hold you
I told you forever
No one ever get enough
To share one love (one love)
Cross my heart
