

## Amazing Grace

Globus

Well they cut me down and threw me out  
Cause I didn't fit in with their crowds  
Cause I bang the drum too slow and out of time  
And the stuff I think is not allowed

Well they cut me off from all the ways  
That could give my soul a chance to feel  
And the tea leaves in the wind are pointing south  
As an angel comes in time to heal

Amazing Grace  
Comes to embrace  
In a world filled with rage  
With the love and the light of her face  
Amazing Grace

Well I'm fighting off a heavy heart  
But I got no one but me to blame  
And the medication tries to do its part  
But it's you who puts me back in the game

Amazing Grace  
Comes to embrace  
In a world filled with rage  
With the love and the light of her face  
Amazing Grace

Well they cut me up and left me scarred  
On the fringes of my sanity  
But a particle of light cracks through the dark  
And delivers your humanity

Amazing Grace  
Comes to embrace  
In a world filled with rage  
With the love and the light of her face  
Amazing Grace
