

BLV Anthem

Glokk40Spaz

(Wake Up)
Yeah Yeah BL
Rock out nigga
Pull them 30s out nigga
(Wake up Filthy)
Stay with a strap and I ride with a B L V
I'm in the Mercedes on the passenger seat it's a LMG
Nigga I hop in the car and I crank that bitch up with no keys
I ain't going to war with these pussy ass nigga they could D I E
Stay with a strap and I ride with a B L V
I'm in the Mercedes on the passenger seat it's a LMG
Nigga I hop in the car and I crank that bitch up with no keys
I ain't going to war with these pussy ass nigga they could D I E

Ten letter mob they know not to play with us
I got this blicky nigga I won't knuckle up
Nigga he ain't finna do nun
Pop out with sticks I'm the young one
I get off on police like Fun Run
He talking bout these racks but he won't touch nun
He talking bout his baby she gon suck sum
We made this bitch cry like a onion
Come bust at that boy in this dungeon
Take his ass off all I need is a hun done
You don't know how it feel to get it how you live
Punch his ass out if that boy know my jit
My brother beat a M Car Brian Steel
Can't smoke with me I know you smoke mid
Take his ass off till he can't pay his bills
We shock them boys like electric eel
Touch like thirty bands that's with no deal
Feel some type of way then I go catch a kill
Baby Whoa poppin out doing every drill
Rich as fuck and a nigga still steal
Nigga pussy pop him like a advil
Nigga pussy meet me in the battlefield
I'm with vampires I be in crystal lake
And this ten laws I never talk to jakes
He catch butterflies like it's a belly ache
Do his ass bad right in broad day
I beat my opp ass in the hallway
Rice street level 5 it's a earthquake
Y'all broke then a bitch nigga don't hate
And I never went to school man I been late
Nigga copy my drip nigga do the plate
Boy I got everyone with me man I'll never flake
Von ass dead that's for heaven sake
Get my bitch to text him you know she the bait
In the street life shit get raw
Come through the backdoor ambush
Go Glocks on me Danny Phantom
And we left the trap house abandoned

Stay with a strap and I ride with a B L V
I'm in the Mercedes on the passenger seat it's a LMG
Nigga I hop in the car and I crank that bitch up with no keys
I ain't going to war with these pussy ass nigga they could D I E
