I wanna do right by that bitch but I just can't give her no time  
And I- (It's DJ GREN8DE)  
I wanna do right by that bitch but I just can't give her no time  
And I do so much drugs, I just wanna get high  
I don't show no more love, I just fuck her on sight  
I don't fight no more, nigga, I just pop 'til they white  
I'm just poppin' my gun 'til I can't call the slime (Ayo, DJ GREN8DE)

Huh, I'm smokin' dope like a rockstar, I can't feel my face

Japanese plug said he got that yin-yang  
My whoa caught the blicky and let that bi'h bang  
I let off that gas glizzy, I don't feel no pain  
These niggas switch up but that money can't change  
You get the ho drunk, she bust  
Try to run off on me, shit come with repercussions  
My bitch told me, "Let the Glock sing just like Usher"  
I said, "Bitch, you bold, you know I'm gon' do what I wanna"  
I [?], go under  
I got the block hot just like a damn summer  
We hittin' that lick, give a fuck 'bout yo' partna  
Poppin' out the trap, I walk in that double-C  
Set this bitch off just like Cardi B  
Have two twin glizzies with the double-G  
Man, handle yo' business with us; with that issue with us  
Pillow-talkin' to no bitches  
That's a deal-breaker 'fore us, I smoke a blunt  
And order my bitch some Tom Ford  
Giuseppe her kick, I got that at the store  
They better be in line, pour me up some more  
I put food on my table, nigga, fuck them chores

And I cap to that bitch so much, I don't know if I'm lyin'  
And I wanna do right by that bitch but I just can't give her no time

I don't show no more love, I just fuck her on sight  
I don't fight no more, nigga, I just pop 'til they white

BabyLife, slime yo' ass out, it get tricky  
Bring that ho to the trap, she gon' suck dicky-dicky  
She gon' fuck one y'all boys, man that ho not that picky  
I transform on that boy like that nigga Witwicky

Don't [?] with me, gon' get on yo' bitch  
Take my ho to a shoppin' spree at Saks Fifth  
Drop a dime, that nigga got hit with four-nick'  
Want smoke with the devil, get smoked like a nic'  
I was broke but still fuckin' on a rich bitch  
I ain't LOC, I rob the plug pockets on Crip  
In the trap, dripped down in some telemain fit

Do you want some drugs?  
Bitch, I'm GL4 but I can be yo' plug  
Playin' with my gang-gang, he caught a slug  
Them boys need to change lanes 'fore they get dumped  
Kickin' shit just like Bruce Wayne without no love
