

Spaz Temptation

Glokk40Spaz

I love DJ Grenade

Hmm, yah

This a plain jane I can't bust this bitch down
Jump out this bitch with a hundred-some rounds
Only bad bitches chilling in this lounge

Black told me that he fly 50 nigga can't come around
Trap going dumb move the whole pound

Ain't buy shit took the plug off on a bloodhound (Shi')

I'm a young nigga with that fire out popping out now

We tote guns everyday shot yo' shit down (Down)

We spin yo' block like that Ferris Wheel fuck the fairground

I put a silencer on this Glock nigga no sound

Hmm, yah

Fly fly away nigga

Babywhoa this that mob shit can't change with ya' (Mob)

Baby don't call my phone turn off my ringer

Been get the fuck up he on my trigger finger (Hrruh)

He believe a fairy tale this nigga dreamer

Shoot this shit like Curry in a new arena

Me and my baby her version of Martin and Gina

Like call up my patna' tag team ya'

2wo Glokk two can't wait for that sequel (Two)

I pop you nigga when I see you

Huh

I make that fuck nigga fly fly away

Real Oso they tap in everyday

Promise I'm on go we catch up and take off his face

Me and King 30 back in Crystal Lake

I'm in crystal lake with a AK all up on my waist

I catch a opp with a mask on I ain't catching no case

Bandgang shit tote the Glocks put the drums boy to base

I bet them vamps gon' bite off yo' face

I run up the racks gotta pick up the pace

[?] said I can't

Everytime that we slid' had it looking like pain

Babylife [?] everybody got rank

I ain't having kids every bitch get replaced

And I swim with the sharks can't fit in no fish tanks

For my brothers gotta slide right or wrong

I gotta' say free Sumo every damn song

And this shit ain't feel real till Lil B home

Can talk to the dead having no damn phone

And I just wanna slide with the Oso

Nigga said he gon' kill me that's a no no

And I swear lil' Kilo go loco

So nigga don't play with my Woah (On Mob)
