

Yung Nigga Shit

Glokk40Spaz

Young nigga strapped and came off a 26
Young nigga hit a lick and take his shit
Skrtrt off with a beamer nigga this shit sick
I could teach you the EBG pistol whip
Young nigga mask the fuck up and get rich
If we catch your ass lacking cross you off that list
Young nigga got a Glock might put a dick on it
Young nigga got the stock, then put the kick on it
Young nigga thugging thugger just like his rich homie
Young nigga having state more than your big homie
Young nigga fifty come and put that blitz on you
Young nigga double down without the stick on me
Baby life doubled up I keep that blick on me
Lil glokk40 I'm lonely mask the fuck up hit that lick by my lonely
Choppa might put the red dot pepperoni
Double dick in the backseat cause she horny
Young nigga thugging I snuck out the house in the morning
Cause bitch ain't got shit to do
You put the pussy on me can't be mad at you
Had to let you go I'm glad that you doin you
Talk on the net like he muhfuckin' bulletproof, huh
They know that glokk40 the truth
Take the mask off so I smile when I shoot
Pull the racks out now she calling me cute
She wanna fuck the gang but baby I'm loose screws
Tell you, you hanging with some real goons
If I hit the pussy baby this new to you
Hanging with a thug nigga you knew
You knew not to come over here playing games
You knew not to fuck with us we got them bangers
Young nigga posted with real gang bangers
Young nigga chop your shit up you can't tame us
We ain't had shit how the fuck you gon blame us
R.I.P TK I love my brother
Man there was some snakes right inside the covers
Long live [?]. hit like a motherfucker
He was like a big brother or some
Miss you so much I still talk to your mother
Lil Kai had to crack a nigga like he thunder
Did I hit the pussy nigga man I wonder, hmm
P.O.G double glizzy this the glokk life
Can't come to the tiger hut without your stripes
Young nigga, young nigga
I got that yopstick do not run nigga
I got that fifty on me do not run nigga
Shootouts what the draco for nigga
The bitch'll beat your ass you done nigga
Free huncho the muhfuckin' ghetto way

You come to the city you might get took off
That fuck nigga snitchin we gon knock him off
When you living this life you know what it cost
I only fuck bad bitches be with boss
Just know if we pull up you lost
The young nigga taking chances
Know that we let the stick go dancing
He got in a shootout nigga gun jamming

Young nigga thugging with some with real [?]
These muhfuckin' bullets hit you through the flannel
Put you on the news, your momma trending channel
