

Beyond the Hate

Gloomy Grim

I take a piece of thick yarn
Then tie three separate knots
I conjure them to do my bidding
I have gone Beyond The Hate

This is to make my Curse to work
This to seal their Doom
I see thy blood turn black
I craft a curse upon your back

With this knot I seal this hex
you will not sleep
I tie this second knot, which makes two
bringing Darkness over you

Slander, Discord, Evil too
Bringing Darkness straight to you
Hex of anger, hex of hate
Come at once, bring them Horror

With this third knot, I do bind
Weaving chaos in your mind

Fourth knot is to close The Circle
and to set The Powers to Attack

The Curse is now upon You
So, mote it Be!

Knots of anger, knots of Hate
Discord brings you to your fate
