

# Don't Stop

Gloria Estefan

The clock is ticking  
And I'm here wishing  
This new found love will find no end  
Don't wanna feel  
Another feeling  
Don't wanna know what time will send  
I wanna stop

The earth from turning  
The rain from falling  
The wind from blowing  
But don't stop (stop)  
The love from growing  
Keep that river flowing  
We can find a way  
Don't stop (stop)  
This love from showing  
I don't want tomorrow  
Just give jme today

Don't stop (stop) stop the hands of time  
Hold back the time  
And make forever  
The same as the moment I felt your love  
You've touched my heart  
Erased the pain, the memories  
And mistakes I made  
Stop

The earth from turning  
The rain from falling  
The wind from blowing  
But don't stop (stop)  
The love from growing  
Keep that river flowing  
We can find a way  
Don't stop (stop)  
This love from showing  
I don't want tomorrow  
Just give me today  
Don't stop (stop)

The flame from burning  
Stop tomorrow's hurting  
From seeing the light  
Don't stop (stop)  
My heart from beating  
Keep the time from fleeting  
Into the night

Can't think about tomorrow's fears  
'cause today is here to stay  
Clear away all of yesterday's tears  
There's nothing to block our way  
Stop

The earth from turning

The rain from falling  
The wind from blowing  
The sun from shining  
Can't find the reason  
Another season  
Could never match a  
Love so pleasin'  
Don't let it go, no, no, no, no, no  
Don't stop (stop)

The love from growing  
Keep that river flowing  
We can find a way  
Don't stop (stop)  
This love from showing  
I don't want tomorrow  
Just give me today  
Don't stop (stop)

The flame from burning  
Stop tomorrow's hurting  
From seeing the light  
Don't stop (stop)  
My heart from beating  
Keep the time from fleeting  
Into the night  
Don't stop (stop)

The love from showing  
I don't want tomorrow  
Just give me today  
Don't stop the love  
Stop the time  
Another day  
To keep you mine  
Don't stop the love  
Stop the time  
Another day  
To keep you mine
