

Heart With Your Name On It

Gloria Estefan

Your name, your name
Your name, your name
Your name, your name

Hey there baby are you feelin' down?
'Cause you've got nobody's arms
To wrap your arms around
Are you thinking what you're looking for
Just can't be found

If a part time heart is what you need
What you want now baby
You won't get from me
If sometime love you're looking for
Darlin' don't be knockin' on my door

If you need someone
To stand there beside you
If you want love that's true

I got a heart with your name on it, name on it
I got love I got love I got love for you
I got a heart put your claim on it, claim on it
This heart will, this heart will beat for you
If you want it to

Love is waiting in these arms of mine
If you're looking for a love that's the forever kind
Baby you don't have to look no more
Look in my eyes

If you want somebody you can hold
I'll be the one who'll never let you go
If you want somebody who will stay
I'll be the one who'll never walk away

If you need someone
To stand there beside you
Nothin' less is gonna do

I got a heart with your name on it, name on it
I got love, I got love, I got love for you
I got a heart put your claim on it, claim on it
This heart will, this heart will beat for you
If you want it to

If you want it to
Oh baby
Oh I love to give you love
I got a heart baby

Part time heart is what you need
What you want now baby
You won't get from me
Full time love is on your mind

I got a heart with your name on it, name on it

I got love, I got love, I got love for you
I got a heart put your blame on it, blame on it
This heart will, this heart will beat for you
If you want it to

I got a heart, its got your name on it
I got love, I got love, I got love for you
I got a heart put your blame on it, blame on it

You been I been if you want it now baby
You been I been if you want it now baby
You been I been if you want it now baby

I got love, I got a love
I got a happy, I got a happy
I got a happy
