## **Hotel Nacional**

**Gloria Estefan** 

Hotel Nacional
Dress, very chic
One, two, daiquiris
Dancin' to the Cuban beat
White pearls, teased up hair
Lipstick's red, to make 'em stare
Drama's on like Susan Lucci
It's time for Hoochie Coochie

Say goodbye to the sunlight We own the nighttime, yeah

Two-toned shoes, favorite dress
Need no diamonds to impress
Red and white coupe Chevrolet
Paparazzi flash away
I'm feeling VIP
It's the only way to be
Going for gold like Yamaguchi
It's time for Hoochie Coochie

Say goodbye to the sunlight We own the nighttime, yeah

Champagne, caviar, no wedding mess You and me, no need to guess So many nights to share Official love affair Voilà we're in Paris Oui, Je t'aime, ça c'est la vie Think "Last Tango," Bertolucci It's time for Hoochie Coochie
