Let It Snow! Let It Snow! Let It Snow!

Gloria Estefan

Oh, the weather outside is frightful But the fire is so delightful And since we've no place to go Let it snow, let it snow, let it snow

No, it doesn't show signs of stopping And I brought some corn for popping The lights are turned way down low Let it snow, let it snow, let it snow

When we finally kiss goodnight How I'll hate going out in the storm But if you'll really hold me tight All the way home, I'll be warm

The fire is slowly dying And my dear we're still goodbyeing But as long as you love me so Let it snow, let it snow, let it snow

When we finally kiss goodnight How I'll hate going out in the storm But if you'll really hold me tight All the way home, I'll be warm

The fire is slowly dying And my dear we're still goodbyeing But as long as you love me so Let it snow, let it snow, let it snow

Let it snow, let it snow Let it snow, let it snow

One more time Let it snow, let it snow Let it snow, let it snow
