Gloria Gaynor

Precious darling, you know you're my man All you got to do is wave your hand Yes, I cherish all you got to give I don't need nothing' else to live

- All I need is your sweet lovin'
 All I want is to feel it comin'
 All I need is your sweet lovin'
 All I want is your love
- Taste that honey flowin' from your lips
 I start shakin' from your fingertips
 [Unverified] steady, movin' right on time
 Feel so warm in these arms of mine
- All I need is your sweet lovin'
 All I want is to feel it comin'
 All I need is your sweet lovin'
 All I want is your love
- Now darlin', when I'm with you Say, it feels so good inside It's just makin' love to you I'm so satisfied
- All I need is your sweet lovin'
 All I want is to feel it comin'
 All I need is your sweet lovin'
 All I want is your love
 Yeah, baby
