

# Please, Be There

Gloria Gaynor

Ohooho ooo  
Ohooho ooo

Please be there,  
Ow Ohooho ooo

You know I couldn't do without you babe  
You know Im gonna be in Love with you,  
for some time,  
Its gonna be  
a life time.

Please be there,  
Ow - Ohooho ooo

I dream about me having you,  
but None of them are gonna be a dream,  
come true.  
Make this one dream,  
Please come true.  
(Please come true.)

I made a big mistake,  
(I made a big mistake)  
ever leave your side...  
Living your sweet memories,  
Makes this Oh, such a lonely ride.  
(lonely ride....)  
Im still in Love with you,  
(still in Love with you)  
I can see clearly now.

Why you love me so strong,  
(hope it hasn't been too long.)  
I been living in a Nightmare,  
Hoping that you still care.

Please, be there,  
(Please be there) (Please be there)  
Ow - Ohooho ooo

All I wanna do is Love you baby.  
All I wanna be -Oh- is with you.

Oh, Oh, all I wanna be, is just with you.

Oh, Please, Please, Please,  
be there.Oh,  
just to see your gorgeous face,  
Just to have your cheek, next to mine.  
Oh, Its gotta be, gotta be,  
right next to mine.  
Oh...

whoo whoo,  
All I wanna do is Love you babe.

All I wanna be is with you. aw
