

Take My Hand, Precious Lord

Gloria Gaynor

Through the storm, through the night
Lead me on to the light
Take my hand, precious Lord
Lead me home

Precious Lord, take my hand
Lead me on, let me stand
I am tired, I am weak, I am worn
Through the storm, through the night
Lead me on to the light
Take my hand, precious Lord
Lead me home

When my way (My way) grows drear (Grows drear)
Precious Lord linger near (Oh, Lord, linger near)
When my life (My life), when my life (My life)
Almost gone (Almost gone)
Hear my cry, hear my call (Ooh)
Hold my hand, lest I fall (Lest I fall)
Take my hand, precious Lord (Precious Lord)
And lead me home (Lead me home)

When the darkness appears
And the night draws near
When the day, yeah
When the day is past and gone (Oh, yeah)
At the river (At the river) I'll stand (I'll stand)
Guide my feet (Guide my feet), hold my hand (Hold my hand)
Take my hand (Take my hand) precious Lord (Precious Lord)
And lead me home

Precious Lord, take my hand
Lead me on (Lead me on), help me stand (Help me stand)
I am tired (I am tired), I am weak (I am weak), I am worn (I am worn,
worn, worn)
Through the storm, through the night
Lead me on to the light (Lead me, lead me)
Take my hand, precious Lord (Precious, precious)
And lead me home (Lead me, yeah, yeah)

Through the storm (Through the storm), through the night (Through the
night)
Lead me on to the light (Lead me on to the light)
Take my hand (Take my hand), precious Lord
And lead me home (Lead me home)
Won't you lead me home? (Yeah, yeah)
Won't you lead me home? (Lead me home)
(Lead me home)
(Lead me home)
