

## Fight

Gloriana

Fifty roses on your doorstep  
I'll take you to your favorite sunset  
What's it gonna take? Baby, what's it gonna take?  
I'll spend money like it's hangin' on trees  
I tell yo daddy you're the only one for me  
What's it gonna take? Baby, what's it gonna take?

I'm gonna fight for you  
I ain't backing down  
I'm gonna fight for you  
Till you come around  
I'm gonna be the one standin' in ur corner  
I'll never run, take a bullet for ya  
Fight fight fight, I'm gonna fight for you

Like a soldier on the line  
I think you know that I would die  
For you any day, baby, for you any day  
I'll take your burden on my back  
I'm strong enough to handle all that

Anything you say, baby, anything you say

I'm gonna fight for you  
I ain't backing down  
I'm gonna fight for you  
Till you come around  
I'm gonna be the one standin' in ur corner  
I'll never run, take a bullet for ya  
Fight fight fight, I'm gonna fight for you

I'm gonna fight for you  
I ain't backing down  
I'm gonna fight for you  
Till you come around

I'm gonna fight for you  
I ain't backing down  
I'm gonna fight for you  
Till you come around  
I'm gonna be the one standin' in ur corner  
I'll never run, take a bullet for ya  
Fight fight fight, I'm gonna fight for you
