

# Good Night

Gloriana

I dropped you off  
Just a little after midnight  
Sat in my car  
Till you turned off your porch light  
I should have kissed you  
I should have pushed you up against the wall  
I should have kissed you  
Just like I wasn't scared at all

I turned off the car  
Ran through the yard  
Back to your front door  
Before I could knock  
You turned the lock  
And met me on the front porch

And I kissed you  
Goodnight  
And now that I've kissed you  
It's a good night good night baby goodnight

You couldn't see me  
Watching through the window  
Wondering what went wrong  
Praying that you wouldn't go  
You should have kissed me  
You should have pushed me up against the wall  
You should have kissed me  
I was right on the edge and ready to fall

So I turned off the car  
Ran through the yard  
Back to your front door  
Before I could knock  
You turned the lock  
And met me on the front porch

And I kissed you  
Goodnight  
And now that I've kissed you  
It's a good night good night baby goodnight

I turned off the car  
Ran through the yard  
Back to your front door  
Half scared to death can't catch my breath  
Aren't these the moments we live for

And I kissed you  
Goodnight  
And now that I've kissed you  
It's a good night good night baby goodnight  
It's a good night good night baby goodnight  
It's a good night good night baby goodnight  
It's a good night good night baby goodnight
