

Internet Trolls

GloRilla

Hitkidd wat it do, man, Hitkidd wat it do, man
GloRilla
Hey, hey
On gang, on, on gang
Whoa, whoa, hey
On gang

You can be who you wanna be
Live how you wanna live
Stunt how you wanna stunt
Give what you 'posed to give
Say what you wanna say
Feel how you wanna feel
Sometimes I think they be forgetting the internet a fairytale

He dat nigga for the people, but in person, he a bitch
They be gangster on the book, but in them papers be a snitch
She be mommy of the year but don't ever have them kids
They be broker than a motherfucker, capping like they rich

Watch out for them internet trolls
They be tryna satisfy them internet goals
You just got locked up 'cause the internet told
Fake it till you make it, that's the internet code
Watch out for them internet trolls
They be tryna satisfy them internet goals
You just got locked up 'cause the internet told
Fake it till you make it, that's the internet code

Ain't have to drop the low, I got it from his Snapchat
Had to block my exes off my page so I wouldn't backtrack
They don't wanna clap for you, they just want you to clapback
That ski don't make you gangsta, you a capper, where yo SnapBack?
I don't be up in his likes, but I be in his bed though
Might be in my gallery, but he ain't in this thread though
They don't gotta like me and it's cool, I really like that
'Cause half you muhfuckers in real life ain't even like that

Watch out for them internet trolls
They be tryna satisfy them internet goals
You just got locked up 'cause the internet told
Fake it till you make it, that's the internet code
Watch out for them internet trolls
They be tryna satisfy them internet goals
You just got locked up 'cause the internet told
Fake it till you make it, that's the internet code

You can be who you wanna be
Live how you wanna live
Stunt how you wanna stunt
Give what you 'posed to give
Say what you wanna say
Feel how you wanna feel
Sometimes I think they be forgetting the internet a fairytale
