What Juicy say? He be like, "Shut the fuck up"

Lick on my clit, make this pussy cream
Do this motherfucker how you do them Russian creams
Smokin' on this pack, you know this pussy fat (Ow)
Lookin' like he fiendin', got his nose all in my crack

And based off his performance, I might make this booty clap
Told him drop the addy, 'bout to take him off the map
I don't post his ass, I ghost his ass, and leave him on the Snap
Don't wanna feel yo' teeth and soften up yo' tongue
All over his breath like pussy flavored gum
Pullin' on my tracks, 'cause he know I like to run
You know I'ma P, nigga, you know where I'm from
Told him that I love him, had him thinkin' I was dumb
Got that bread, got that head, then I set him to his mom, on the gang, gang

Lookin' like a lick or sum
Come and take a lick or sum
Pussy bussin' like a blick or sum
Bow, bow, bow
Come here, now let me get some dick or sum

And don't bring up my man, 'cause I ain't askin' 'bout yo' bitch

He know that I'm the big homie, his other bitches under me
Got the best head from a libra and the best dick from a cancer
He said he never ate no ass, well, I'm 'bout to set the standard (Come here)
