

# No Bih

GloRilla

Everything workin', I been in the gym  
I can splurge today, then pop out with an M  
Fuck it, carpe diem, I make 'em motivated  
Grammy nominated, fuck whoever hatin'  
'Cause ain't no bitch in me, nigga, ain't no bitch in me, nigga  
Ain't no bitch in me, nigga, ain't no bitch in me, nigga  
I see bitch in you niggas, I see bitch in you niggas  
I see bitch in you niggas, I see bitch in you niggas

Ain't no bitch in me, nigga, I keep strips on me, nigga  
Wafi went in on my diamonds, this ain't Tiffany, nigga  
All this money gettin' spent 'cause it ain't shit to me, nigga  
Keep yo two cents to yoself, ho, that ain't making me richer  
Bitches hate on me for free, but that's the cost of being beautiful  
I can't beef with you broke bitches, I can pay for your funeral  
Got some niggas in the field that shoot from Memphis to Tunica  
So don't hop up in this smoke if it ain't got shit to do with ya', on  
the gang

Everything workin', I been in the gym  
I can splurge today, then pop out with an M  
Fuck it, carpe diem, I make 'em motivated

Ain't no bitch in me, nigga, ain't no bitch in me, nigga

And on the internet the only time you bitches be bullies  
Might give these niggas to these hoes, but they don't never get tooke  
n  
Might gangster walk me a ho down and make that bitch get to jookin'  
I might just stomp her ass (Stomp that ho)  
Pull up and slump her ass (Slump that ho)  
These bitches round me ain't gon' watch, we might just jump her ass  
We might just jump that ho  
I might just stomp her ass (Stomp that ho)  
Pull up and slump her ass (Slump that ho)
