What is PTE?

Well, PTE is Pretty Thugz Entertainment

P-R-E-T-T-Y T-H-U-G-Z Entertainment, that's what I mean

But we just be yellin' PTE type shit, you know what I'm sayin'? It's shortened

You know, we be on a lot of thug shit, you know what I'm sayin'

When I say thug, we mean gettin' money, takin' bitches' niggas, fresh as hell
l, posted up type shit

And you know big bruh 'nem come around and cuh 'nem come around

We be on that big thug shit, you know what I'm talkin' 'bout?

We don't really speak on a lot of shit we be doin' most the time, but we know what goin' on

But when I'm just with my bitches, you know a lot of them bitches pretty as hell, bad as hell

And we stackin' that paper, so you know, we be on that Pretty Thug shit, so yeah

PTE the lituation, bitch (Ayy, shout out Sosa)

Steph Curry, ayy

(Sosa on the beat)

Yeah, bitch, I got that wet-wet, that leave a nigga head wet

He pulled up in his bitch car, now her seats is wet wet

He screw me like a flathead and top me like a headband

He said he wanna sixty-nine, nigga should've said that

Sent him to his bitch like, "Here, you can get your man back"

But he tryna get this head back and he said that your head wack

I took two puffs, then started coughin', call that shit some gas gas

They hate me for no reason, know I got them bitches mad mad

Ooh, come here, you come here

Keep him out the business, let me whisper in your ear

I used to argue with bitches, now I don't even bother with bitches

You need a hundred hoes just to get you crunk, that's why I don't start with
you bitches

Fuck a friend, hittin' licks 'til it's bro 'nem, 'cause I won't even ride with
you bitches

Keep sayin' what you'd do to me, hoes? I fuck around, rob you bitches

Only breakin' bread with the gang 'cause I used to starve with them bitches

Only pullin' up with the gang 'cause I used to mob with them bitches

Yeah, my favorite player Curry, put you on a jersey

Ex-nigga don't like me, he say I did him dirty

Favorite player Lonzo, ballin' like I'm Lonzo

Top of the damn playoffs, you still in the hunt, though

Yeah, talkin' behind my back, I'm still in the front, though

I'm steady gettin' them hunchos, I need my hunchos pronto

We tote nines like Rondo, high just like a condo

Bro said, "Long as you get your money, turn up, have your fun, though"

Take the R outta pretty, get petty

Weigh one-twenty, but a bitch gettin' heavy

I'm up next and, bitch, I'm ready

And yeah, I meant it if I said it

Them bitches mad, I think they jealous

All these bars, you'd think I'm jailin'

All this green I be inhalin'

All this green, it keep me healthy

All of my niggas done robbed

Some of them niggas stealin' cars

At the time, we wasn't whippin' no card

At the time, we wasn't workin' no job
We was young 'til we got on that mob
And nah, I ain't talkin' no mall
Live by the sword, I'ma die by the sword
Let the revenge of the sword, say it's over
Say love thy neighbor, but you bitches be some haters
I'll be damned if I go out like a ho
I'll be damned, I don't give you bitches smoke
I'll be damned if I don't let them bitches know
That my name Glorilla and I'm steppin' like gorillas
If I ain't, then my name ain't Glo
Patience is key, but I don't really use those
So don't push my buttons, I'll leave your roof gone
I'm bored with this nigga, think I need a new ho
I love my bitches, no room for new hoes
Pull up to the spot with my thots, finna set it off
Clip hold like thirty like Steph Curry, I'ma let it off
Bosses don't talk, check my walk, it'll tell it all
I'm a Pretty Thug, PTE is what I'm yellin', dog
