I'm a full three course tonight
I'm a tummy rollercoaster alright
Drowned in sauce, egg on top, all the sides with a big fat butt
er dollop
I'm a full fuckin' dinner to night, outta sight all right

Why don't you go right on and put me on a plate now Put me on a plate now I am done and ready to eat You can sit right down and dig into the good stuff So good that you can never get enough Got me tickling from my head to my feet

I'm like butter on the toast just right
Like the gravy on the roast so right
Book yourself a table for a weekday lunch
Call the maitre' dee know you got that hunch
Peek into the kitchen you can hear what it says Bring a big nap
kin this is gonna be a big mess

Why don't you go right on and put me on a plate now Put me on a plate now I am done and ready to eat You can sit right down and dig into the good stuff So good that you can never get enough Got me tickling from my head to my feet

Grab a knife and fork and spoon

Got a table ready at noon

Have a grape or Have a prune

Come alone or bring a goon

Like a wham bam leg o lamb egg and chips and ham Like a ding do

ng sing song bangin' on the gong

Like a woo hoo kung fu pepper in a curry stew Tick tock bomb cl

ock ready for the food shock
