

Let Me Go

Gnash

I need drugs when I wake up and drugs to fall asleep
I feel like my mind is broken, please God just let me sleep
I don't know where I'm going or who I wanna be
I'm just stuck in this loop of negativity

So let me go, I just wanna be free
Let me go, from this insecurity
Let me go, from these thoughts inside of me
Let me go, I just wanna be me

So let me go, I just wanna be me
So let me go, I just wanna be me
So let me go, I just wanna be me
So let me go, I just wanna be free

I don't wanna leave my bed anymore
And every time I go out, it just feels like a chore
I don't know where I'm going or where I wanna be
I'm just stuck in this loop of negativity

So let me go, I just wanna be free
Let me go, from this insecurity
Let me go, from these thoughts inside of me
Let me go, I just wanna be me

So let me go, I just wanna be me
So let me go, I just wanna be me
So let me go, I just wanna be me
So let me go, I just wanna be free

See I'm not happy, I'm just good at smiling
I'm not busy, I'm just good at hiding
I hate that I'm like this but I'm trying
So let me go

So let me go, I just wanna be free
Let me go, from this insecurity
Let me go, from these thoughts inside of me
Let me go, I just wanna be me

So let me go, I just wanna be me
So let me go, I just wanna be me
So let me go, I just wanna be me
So let me go, I just wanna be free, yeah
