

# Night Night

Gnash

Night, night, sunshine  
See you tomorrow  
I just brushed my teeth  
And all of my sweet dreams  
Are waiting on me

Night, night, sunshine  
See you tomorrow  
Got my favorite pajamas  
Bedtime story about llamas  
Told my daddy and my momma  
And my sisters and my brothers  
That I love them  
And it's sleep time

Night, night, sunshine  
See you tomorrow

Goodnight
