Rainbow

Gnash

Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo-doo
Doo-doo
Doo-doo-doo, doo-doo-doo

I'm looking outside for an angle
To put a picture frame around a rainbow
They say it never rains in LA
But today, the sky is kinda gray
Examine all the damage that my cat did
Every action needs an opposite reaction
All this indecision in my head
Get upset or get back into bed

If there's no gold
Down this road
Then let me know
'Cause I can't take much more

When did my darkness get
All of this confidence?
I was an optimist
Holding on to half full
Where did my happy go?
If you find it, let me know, oh
I could use a rainbow

Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo-doo

I'm looking outside for a neighbor
Everybody's looking like a stranger
I spent so many moments in my life
Maybe I should focus on your light
I'm just tryna grow my avocados
You don't want no lemons on your tacos
I guess that's just the price we gotta pay
Turn this cloudy day to lemonade

If there's a pot of gold
Down this road
Then let me know
'Cause I can't take much more of this

When did my darkness get
All of this confidence?
I was an optimist
Holding on to half full
Where did my happy go?
If you find it, let me know, oh
I could use a rainbow

Doo-doo-doo (Oh), doo-doo-doo (Yes, I could use a rainbow)
Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo-doo (Yeah)
Doo-doo-doo, doo-doo-doo

I like my silver lining with a touch of gray
And my silver lake shining in the shade
Keep your gold leaf on a Ferrero Rocher
I'd split my Oreo in two with you any day
And when I'm sad again and listening to Elliott Smith
I'll be grateful dead, a melancholy smile instead
I'll take another lap around the sun
And figure out the answer when it comes

If there's no gold
Down this road
Then let me know
I could use a rainbow

Doo-doo-doo (Oh), doo-doo-doo (Yes, I could use a rainbow)
Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo-doo (Yeah)
Doo-doo-doo, doo-doo-doo (I could use a rainbow)
Doo-doo-doo (Oh), doo-doo-doo
Doo-doo-doo (Oh), doo-doo-doo
Doo-doo (Oh)
Doo-doo-doo (Oh), doo-doo-doo
