

Christmas Song (Ding Dong)

Günther

Snowflakes from the sky (Yeah)
Bells are ringing high
Now it's Christmas time
Mm, it's Christmas, It's Christmas time, ah

Outside your window, it's windy and snowing
The candles are sparkling and the kids are flowing
Longing (Mm), waiting (Ah), expectations, yeah

Santa, I've been so totally kind
I never had a dirty thing on my mind
Santa darling, oh, you're so fine
I wish that you were only mine

Ding dong, it's a Christmas song
Let's celebrate, let's give our love
Now it is Christmas around the world
Together with friends, we're sharing this moment
Now it is Christmas time
Snowflakes from the sky (Yeah)
Bells are ringing high
Now it's Christmas time

It's Christmas, it's Christmas time, ah

Morning to me, night, there's a passion within
Close to the fire, I'll warm your frozen skin
Kissing (Mm), candy (Ah), decorations, yeah

Santa, I've been so totally kind
I never had a dirty thing on my mind
Santa darling, oh, you're so fine
I wish that you were only mine

Ding dong, it's a Christmas song
Let's celebrate, let's give our love
Now it is Christmas around the world
Together with friends, we're sharing this moment
Now it is Christmas time
Snowflakes from the sky (Yeah)
Bells are ringing high
Now it's Christmas time

Yeah, it's Christmas, it's Christmas time, ah

Mm, Santa is coming (Ooh-ooh-ooh-ooh)

Ding dong, it's a Christmas song (Oh-oh-oh)
Let's celebrate, let's give our love
Now it is Christmas around the world (Christmas time)
Together with friends (Oh-oh-oh-oh), we're sharing this moment
Now it is Christmas time
Snowflakes from the sky (Yeah; From the sky)
Bells are ringing high
Now it's Christmas- (Christmas time)
Snowflakes from the sky (Oh, woah; Yeah)
Bells are ringing high (Ooh-oh-oh-oh)

Now it's Christmas-, now it's Christmas time

Merry Christmas
