See me coming
I'm all dressed in black, mm
Naughtiness increase
Mama cut me no slack, ah

I'm on for anything anytime
Feelin' high and horny is not a crime
Let's do it loud, baby, ain't no pantomime
I'm all dressed in black

I don't wanna know your name
You dirty, hot, gorgeous with no shame, mm

I'm on for anything anytime
Feelin' high and horny is not a crime
Let's do it loud, baby, ain't no pantomime
Don't wanna know your name

Don't try to kill me 'cause I need your sweet touch

Don't try to kill me 'cause I need your sweet touch

I'm tender-hearted and I want you so much
Don't try to kill me 'cause I need your sweet touch
