You naughty boy (Ah)  
Ah, ah

You're my naughty boy  
You're the one my mama loves, but daddy won't, aha, aha  
Darling, you're my naughty boy (Ow)  
You got the touch and I can't get enough, aha, aha (Sex me, sex me)

I'm a lady's man  
Always ready to answer a call  
Just give me a chance (Ah)  
And I will give you all

For so long I have tried to get to you  
Darling, you're a one of a kind  
In my dreams every night, it's me and you  
Darling, please will you be mine? (Uh, uh)
