

## SHUT UP (dance with me)

Günther

Shut up and dance with me  
Come on, why don't you dance with me? Shut up  
Mm, why don't you dance?  
Shut up and dance with me  
Come on, why don't you dance with me?  
Shut up and dance with me  
Mm, why don't you dance? Shut up

Shut up  
Shut up  
Shut up

Don't you listen all those old conventions  
Don't hide the surprise, your real intentions  
You're open-minded, at least that's what you keep on sayin'  
Don't afraid of doing, what you are best in

Shut up  
Shut up  
Shut up

Shut up and dance with me  
Come on, why don't you dance with me?  
Shut up and dance with me  
Come on, why don't you dance with me?  
Shut up and dance with me  
Come on, why don't you dance with me?  
Shut up and dance with me  
Come on, why don't you dance with me?

Shut up  
Shut up  
Shut up  
Shut up  
Shut up

Don't you listen all those old conventions  
Don't hide the surprise, your real intentions  
You're open-minded, at least that's what you keep on sayin'  
Don't afraid of doing, what you are best in

Shut up and dance with me  
Come on, why don't you dance with me?  
Shut up and dance with me  
Come on, why don't you dance with me?  
Shut up and dance with me  
Come on, why don't you dance with me?  
Shut up and dance with me  
Come on, why don't you dance with me?

Shut up and dance with me
