Hola, hola, rata, rata, ra
Viva la summer holiday
Let's have a sun trip together
Viva la summer far away
And let the sun shine forever

It is a hot day, put on my flip flop
Go to Playa del Sol, I'm feeling tip-top (Mmm)
Give me some lotion (Yeah) to get emotion (Ah)
Señorita, sex on the beach

You make me so hot, I wanna see what you got
The night make us burning and burning
We're kissing in the sand, is this a one-night stand?
I want you more and more
