

# Why

Go:Audio

It's been two weeks since I heard your voice  
But it echoes in my mind  
Your lipstick marks still on my cup  
That you left behind  
Maybe it's me or can you feel this  
It's killing me just to know  
I'm telling you now just be straight with me  
And don't say I told you so

Strangest feelings  
Words can't say these  
I'm so restricted  
I wish I knew

Why  
Just let me know now if i'm wrong or right  
Don't lie cos I know that's what you do  
Come on lets go  
Mine  
Tell me what you really want to say  
A sign  
Tell the truth just what you mean  
I wish I knew

The greatest actor can't conceal  
The way they feel inside  
It's written on your face so clear  
Like smiles and tears entwined  
Looking back to when I kissed you  
I opened up my eyes  
Nothing compares to the way I felt with you there that night

Strangest feelings  
Words can't say these  
I'm so restricted

Why  
Just let me know now if I'm wrong or right  
Don't lie cos I know that's what you do  
Come on lets go  
Mine  
Tell me what you really want to say  
A Sign  
Tell the truth just what you mean

I'm sorry but it's true  
I didn't know anything about  
It's not too late  
To work it through  
With you  
Just me and you  
I wish I knew

Why  
Just let me know now if i'm wrong or right  
Don't lie  
Co I know that's what you do

I wish I knew  
Why  
Just let me know now if I'm wrong or right  
Don't lie  
Cos I know that's what you do  
C'mon lets go  
Mine  
Tell me what you really want to say  
A sign  
Tell the truth just what you mean  
I wish I knew
