

# Missing You

Go-Jo

I'm driving down the coast on route 65  
Happy on my own when I realized  
I opened my own shop  
Bought a house on the hill I love  
A dream that never was

And I'm still missing you  
And I'm still missing you

Driving through the city out on the highway  
Listening to Fleetwood like old times  
Reminds me of when we were  
Just 18 and fell in love  
A dream that always was

And I'm still missing you  
(Missing you, missing you)  
And I'm still missing you  
(Missing you, missing you)

10 long years it's been  
Since you left me by the road  
I know one day I'll find my way to you

Promised you'd call when you got out of town  
You waved goodbye and gave me a smile  
But I didn't know it would be the last time

And I'm still missing you  
(Missing you, missing you)  
And I'm still missing you  
(Missing you, missing you)
