

## Count On Me

Go West

I know what you're thinking  
I think I know what's on your mind  
Wake up - stop dreaming  
Another fool may be hard to find  
Why do you want to walk away  
And leave a tale of love untold?  
It doesn't happen every day... girl  
And I don't want to let you go

You'd better not count me out  
I don't give up so easily  
You'd better just turn around  
I don't give up so easily

So keep on talking  
Keep dancing on the borderline  
You can't dance forever  
I know that time is on my side  
Why do you look the other way?  
In your heart I think you know  
It doesn't happen every day... girl  
And I don't want to let you go

You'd better not count me out  
I don't give up so easily  
You'd better just turn around  
I don't give up so easily

You'd better not count me out  
I don't give up so easily  
You'd better just turn around  
I don't give up so easily

And it won't be over  
'til I say it's over  
If you know the answer  
Let's not wish the time away...

Girl...I just want to let you know

You'd better not count me out  
I don't give up so easily  
You'd better just turn around  
I don't give up so easily
