Go West

Double take  
At the thin men on the wall  
First mistake  
To move a little closer  
Sweat on skin  
Every word you hear

Dangerous  
You've got to fight the fascination  
Dangerous  
Who wants to be the inside man?

You have the law  
But you're the underdog  
In this one-man-war  
A little knowledge can be
