Goodbye Girl

Footsteps echo on familiar streets Crossing bridges, never burned I am tired of playing hide and seek Is this all that I have learned?

Looking for a diamond in the dark I was sure you were the one You held me spell bound While you made your mark Now, the damage has been done

Goodbye girl, it's a game We play every time we say Goodbye girl, you hypnotize I can't say goodbye

I'm afraid when I turn out the light Words you say while you're asleep Where you were and what you did last night? Those are secrets you can keep, yeah

Goodbye girl, it's a game We play every time we say Goodbye girl, you hypnotize I can't say goodbye

Tied to you, blood on the wire Don't you know you've pushed me much too far? Just who do you think you are? I can't escape, must almost need you around Every time I say goodbye, you hypnotize

Footsteps echo on familiar streets Crossing bridges, never burned I am tired of playing hide and seek, yeah Is this all that I have learned?

Goodbye girl, it's a game We play every time we say Goodbye girl, you hypnotize my eyes

Goodbye girl, it's a game We play every time we say Goodbye girl, you hypnotize I can't say goodbye

Goodbye girl, it's a game We play every time we say Goodbye girl, you hypnotize my eyes

Goodbye girl, it's a game We play every time we say Goodbye girl, you hypnotize I can't say goodbye
