

Powerful

Goapele

Make my heart go boom like a love line
Make my heart go boom like a love line
No doubt powerful

What can I say? What can I do?
I'm tired of wading through the fools
Whoa-oh-oh, ho
Where is the love to fuel the fire
I'm ready to feel 'cause I give
Whoa-oh-oh, ho

Help me somebody
Just a little bit of chemistry
Is exactly what I need
Like ahh-ooh

Make my heart go boom like a love line
Bang bang, and I'll never say goodnight
Whoa-oh-oh, give it to me like no doubt powerful
No doubt powerful
Make my heart go boom like a love line
Bang bang, and I'll never say goodnight
Whoa-oh-oh, give it to me like no doubt powerful
No doubt powerful

Make my heart go boom like a love line
Make my heart go boom like a love line
No doubt powerful

Restart my heart, give me a pulse
Make me believe in possible
Whoa-oh-oh, whoa
Like dynamite, help me light
Light up my world, bring me delight
Whoa-oh-oh, whoa

Help me somebody
Just a little bit of chemistry
Is exactly what I need
Like ahh-ooh

Make my heart go boom like a love line
Bang bang, and I'll never say goodnight
Whoa-oh-oh, give it to me like no doubt powerful
No doubt powerful
Make my heart go boom like a love line
Bang bang, and I'll never say goodnight
Whoa-oh-oh, give it to me like no doubt powerful
No doubt powerful

Give it to me like...whoa-oh-oh, whoa
Like whoa, yeah yeah
Make my heart go boom like a love line
Bang bang, and I'll never say goodnight, yeah
You make my heart go...

Make my heart go boom like a love line

Bang bang, and I'll never say goodnight
Whoa-oh-oh, make my heart go boom like a love line
You make my heart go...
Make my heart go boom like a love line
Bang bang, and I'll never say goodnight
Whoa-oh-oh, make my heart go boom like a love line..
