

## A-Men

## Goat Girl

I never thought that it would change  
I never thought it would stay  
I never thought that it would change (Oh-oh-oh-oh)  
I never thought it would stay

Now I'm itching  
Nailing poison  
Bitten by her snake

I never thought that it would change  
I never thought it would stay  
I never thought that it would change (Oh-oh-oh-oh)  
I never thought it would stay

Have I gone too far?  
The words don't come true  
Those things, a lie  
Bless God, He tries
