

Tainted from our imperfections
Littered seas, feels like we're an infection

Carry on
Like we're protected
As if
We're unaffected

(Ba-dickba-dickba-ba, ba-dickba-dickba-ba)
Tearing up and burning down
(Ba-dickba-dickba-ba, ba-dickba-dickba-ba)
Leave all sadness underground
(Ba-dickba-dickba-ba, ba-dickba-dickba-ba)
Shove it somewhere we won't see
(Ba-dickba-dickba-ba, ba-dickba-dickba-ba)
Turn our mess into debris

Burn it
Use it up
Hang it
From the setting sun

Carry on
Like we're protected
As if
We're unaffected

(Ba-dickba-dickba-ba, ba-dickba-dickba-ba)
Tearing up and burning down
(Ba-dickba-dickba-ba, ba-dickba-dickba-ba)
Leave all sadness underground
(Ba-dickba-dickba-ba, ba-dickba-dickba-ba)
Shove it somewhere we won't see
(Ba-dickba-dickba-ba, ba-dickba-dickba-ba)
Turn our mess into debris
