

## Frisco Beaver

Goat

Be aware  
A burn takes you higher  
Rays of life beneath the sun  
For what you are bound  
Don't be scared  
Creation of the soul  
Is never in your hands  
Got to let it roll  
Light up the fire

Do what you like  
Do what you like  
Do what you like  
Do what you like to do

Be the spark  
End it with fire  
Burn it all down to the ground  
For what you are bound  
Be aware  
Creation of our time  
Is always in your hand  
Look and you will find  
Light up the fire

Do what you need  
Do what you need  
Do what you need  
Do what you need to do
