

## Let It Bleed

Goat

I m faded, I touch the block  
Machine gun, through the lot  
They walking past, famous peep  
Gotta go, let it bleed  
I gotta fall, for me at first  
Let it burn, put to rest  
Keep for beast, keep for us  
Does it mean...

Gotta go, let it bleed

Let it bleed, bleed, let it bleed  
Let it bleed, bleed, let it bleed  
Let it bleed, bleed, let it bleed  
Let it bleed, bleed, let it bleed  
Let it bleed, bleed, let it bleed  
Let it bleed, bleed, let it bleed
