

## Centipede

Gob

I see you're just like a centipede.  
You move fast, but you just move along the ground.  
I better stay away from you.  
I've got some cherries but I'll keep them to myself.  
Centipede you are a scavenger.  
If you could, you would take my family.  
I'll share but I won't share with you.
