things coming down,  
it's all that i see i trun and look but it don't bother me is t  
here any way  
i could get by what reason i don,t understand  
why i always say know i know we,re always getting nowhere,  
nowhere i guess i'll never learn, never learn  
cause i'm never gonna grow up all the time she thinks  
i'm lying hurts so bad inside i like dying  
i'm not around she tells me she's crying even though,  
even thgough i know what's right another day,  
another lecture somehow i think this will re-occur  
it's something now that i forsee this chemistry is a bad recipe

all the time she thinks i,m lying hurts so bad inside i like dy  
ing  
i'm not around she tells me she's tells me she's crying even th  
ough,  
even thgough
