

## Death Trip

## God Complex

I am the son of the father that spoke  
From the flames and the valley of smoke

Ego death  
Ego death

Follow the order, kill  
Poison the water, kill  
Death of the ego

Death of the ego

Did you look into the flames?  
Say my name  
Army of the mentally enslaved

Say my name  
Say my name

I am the son of the father that spoke against him  
From the flames and the valley of smoke
