

## Growing Old

Godsmack

You can't see me, not right now  
Go and be that light with someone you know how  
I'll try to be here for a while  
But like a candle burns bright, it still burns out

Hey, I'm coming home  
And for how long I don't know

Will you sit with me for a while  
Do you hear me when I tell you that I've tried  
I've tried to be there your whole life  
To provide for you and I'd die for you with pride

Hey, when I get back home  
I'll never let you go-oh-oh

I'll be the sun  
Where I get to go  
And your days are young  
But man I'm growing old  
Hey, I'll be your sun  
Where I get to go  
And your days are young  
But man I'm growing old

Hey, I'll be your sun  
Where I get to go  
Your days are young  
But man I'm growing old  
Hey, I'll be your sun  
When I get to go home  
Your days are young  
But man I'm growing old
